

Assignment 1: Synthesis Essay

Question: Write a synthesis essay on “AI tutors.” Follow technical style of writing for an effective synthesis essay. [CLO 1]

1. Make a group of two students for this assignment.
2. Read the attached three papers on AI tutors. (In case you want to read papers from other sources, provide references at the end of the assignment)
3. For synthesis, minimum requirement for references is 3 papers and maximum is 8.
4. Narrow down your topic and write an essay following the right structure.
5. Apply all the three strategies: quotation, summarization, and paraphrasing.
6. Limit your essay between 800-1000 words.
7. Make sure that you create reference list.
8. Follow the deadline.
9. PLAGIARISM will not be tolerated at all. Threshold for plagiarism is 10 percent.
10. **In case you could not submit the assignment on time**, the assignment requirement will be 1600 words at least, and 6 papers references at least.
